

PUT YOUR VISION TO WORK...

create  
your  
own  
path.

**Do you know where you want to go in life?**

**Do you want to know how to get there?**

The **RESULTS COURSE** can help.

Course Facilitator  
Wilbert Alix is a prominent figure in the emerging science of body-centered psychology. His presentations are accentuated by an intellectual depth and his unique insights into the relationships between matter & mind. He frequently appears at professional conferences, and his popular TV show "Awakening The Mind" has appeared on public television since 1990.

"My intention is to bring into simple and clear focus the enormously complex worlds of medicine, psychology, spirituality and mysticism for the purpose of clear direction and achievement.

Many of us spend our lives unclear about what we want and why. The Results Course provides a path to clarity regarding these important questions in life... Questions regarding **spirituality, relationships, career, finances, health & well-being** and more. It is an avenue to explore what you want, and more important, how to get it.

Western minds have developed away from their original mystical roots. Our extra-sensory perceptions continue to weaken so we (overly) rely on the need for "proof" before trusting ourselves enough to act. This has resulted in a "show me and I'll believe it" mentality rather than a more magical "**believe it and it will show**" state of consciousness.

Through the Results Course you will learn how to manifest results in your life that previously seemed unattainable... and even impossible. Through techniques you will learn in the course, **you will learn how to structure new beliefs... visualize, then see your desires manifest.** You will learn how your mind creates your reality, and how to use your thoughts as a vehicle for the results you choose. Each participant will receive a detailed textbook/workbook which describes various aspects of the results process. Attendees will also receive mind expanding and creative visualization techniques on CD.

**Monday-Saturday, June 7-12**
