## THE TRANCEDANCE 2002 SHAMANIC RETREAT

The TranceDance '2002' Shamanic Retreat  
will be a celebration of shamanic spirituality  
through dance, movement and various heal-  
ing rituals. All ritual experiences will be facilitated  
by Wilbert Alix.

MORNINGS sessions will be TranceDance  
journeys (with an intro lecture) focusing on each  
of the seven (7) chakra energy centers. These jour-  
neys are a progressive exploration of our psyche  
'from darkness to light'. These TranceDance experiences promote a deep cleans-  
ing of both mental and physical ailments as well as stimulate an eventual series of  
'peak experiences' which usually occur both during the week and well after the  
completion of the retreat experience.

AFTERNOONS are free and participants will have ample opportunity to  
explore the Kalani grounds, coastal area or take advantage of the many  
amenities found at Kalani.

EVENINGS will be devoted to special events, such as a Soul Hunting Ritual,  
African Trance Dance ritual, Faces Of Time Meditation etc. All shamanic ritu-  
al work will be done outdoors on either the 2500 sq ft 'domed' dance floor or  
at one of the many natural sites around Kalani Honua. In addition, there will be  
special opportunities to experience the many 'nature sites' unique to this area of  
Hawaii, such as old lava flows, warm water ponds, and a special 'evening walk to  
the Kilauea lava flow' where you will see first hand molten lava flowing and the  
birth of new earth.

## THE KALANI HONU A OCEANSIDE RESORT

Kalani Honua is a unique experience of natural Hawaii. Kalani is a  
coastal facility adjacent to the Pacific Ocean. The retreat center  
comprises 113 coastal acres of exotic botanical rainforest within  
Hawaii's largest conservation area. Twenty acres are dedicated to landscaped  
lawns and retreat/ conference facilities, the balance remains wild. Kalani's power  
sources are completely self contained, and all power is turned off at 11pm nightly  
so that residents can feel the awesome natural power of nature unique to this  
location. In the language of Hawaiians 'Kalani Honua' means 'where heaven  
and earth meet'.

Kalani Honua's accommodations include  
semi private lodging in a Hale' (lodge)  
room, private cottages, and a three (3)  
acre camping area with hot showers and  
restroom facilities. Three delicious meals  
are served daily on the open air lanai.

Meals are wholesome vegetarian (with fresh fish and chicken options), featuring  
local Hawaiian fruits and organic produce. Kalani's on-site amenities include an  
Olympic swimming pool, two (2) Jacuzzi's and a sauna. Services include mas-  
sage and spa therapies, and traditional LomiLomi (Hawaiian) bodywork.  
Nearby is a black sand beach frequented by dolphins, tide pools for calm water  
swimming and snorkeling, natural steam vents and a warm water pond. Also  
available are excursions to Volcanoes National Park which afford the opportunity  
to see the ACTIVE Kilauea volcano spilling her lava into the nearby ocean.
